

## Who is involved?

Ashley Nichols oversees the children's work at Christ Church. Ashley has visited many schools and says they are the highlight of his week. He is married to a primary school teacher so gets lots of tips!

We have a dedicated team of volunteers made of experienced school teachers, governors, parents and others. All are CRB checked and trained.

Here's what local schools who have benefitted have said:

"Christ Church offers a dedicated service to support schools in the local area. I was impressed with a recent assembly run at our school. It was lively and engaging and helped the children to think about serving others."

Local Key Stage 1 teacher.

"The Christ Church youth team come in to our school and take assemblies once a week. They follow a theme which supports the ethos of the school. The assemblies are fun and exciting and the children enjoy the time they spend with us. It adds to our school community and is a worthwhile link to our neighbourhood."

Headteacher, Keith Taylor of Trent CE Primary School

"My class look forward to the church assemblies and remember them the most."

Local Year 1 teacher
